WING-KEE COAL SHOP.

THE Preprietor of Wing-kee Shop begs to inform the Public that his Shop had been attablished since 1855, at Endicot's Lone, and that he has always a great quantity of Best COAL in store for Sale. Gentlemen or Ships masters wishing to patronise him, are requested to apply at his Shop.

1y 401 Honghong, 27th February, 1868.

NOTICE. THE LONDON AND CHINA HERALD.

IN accordance with the arrangements already announced, this paper has been hitherto distributed gratis in Hongkong and throughout the Treaty ports of China and Japan. As the public has thus had an opportunity of making its acquaintance, the proprietor desires that a list of subscribers shall now be formed.

The issue published in London for the mail leaving on the 10th of January, will only be distributed to subscribers, and all persons who wish to continue in receipt of the paper, and who have not already notified their wish are berchy requested to do so.

Terms of subscription, inclusive of postage, \$2, 10s. per Annum, payable in London, or \$12 payable in Hongkong.

All Subscriptions payable in advance.

Application to be made to

GEORGE STREET, 30, Cornhill, London, and to W. H. BELL.

Daily Press Office, Wyndham Street,

Houghong, 4th February, 1868.

NOW READY AND TO BE HAD

NOW READY AND TO BE HAD

OFFICE OF THE "DAILY PRESS." PART SECOND ANGLO CHINESE DICTIONABY, QUABTO REV. W. LOBSCHEID.

THIS WORK was commenced in November,
1864, and will be completed towards the
end of 1868, comprising in all 2,000 large quarto
pages. The third part will be out in April next,
and the fourth about December, 1868. Much
care has been bestowed on the work to render
it useful, both to the Merchant and to the
Etudent of the Chinese and English languages.
Articles of Trade, Objects of Natural History,
all the articles to be obtained in the Chinese
Market are given with their Chinese equivale lents.

The work is offered in boards. The best Bookbinding Establishment in China being connected with this Office, parties desirous of having their copies strongly or elegantly bound will please to intimate the same.

Missionaries supplied at Trade Price.

Daily Press Office. Hongkong.

DENTISTRY.

and the experience of Singapore is a proof that the Chinese are not without the instinct themselves. In Australia they never trien to colonise, or at all events, if they tried s that they were not allowed. They simply flocked to the gold-mines, and same back as soon as their mari caera fames was satisfied : but at Singapore they have distinctly become colonists, and there is no reason why the Indies, in the course of time, if the exed from here be intelligently promoted. As we have said before, there is no profitable way of sending out young married couples. But surely if people-interested in emigration in England can find the means of sending out

Overland Trade Report, all BUSINESS relating remoctable English girls, as they do ever year, it would be immessurably camer to manage a female emigration from China to colonies where there were well-to-do China men wanting to get married. Therein lies the solution of all which may be considered the philanthropic difficulties in the way of Chinese emigration. That it can be profi tably conducted, even when retarded by all the checks necessary to prevent abuses. clear from experience. If supplemented by a duly proportioned export of Chinese girls, it might become a noble enterprise

ed and pear from the Bill of Lading, which had been put in. It was a question of law, Mr. Pullard did not press the question. Captain Byspe deposed : He was in command d the Eastward Ha un the 29th of September. es. He At twelve o'clock on that day he ascertained the ship's position. From noon the previous u went day she had run one boudeed and thirty-five miles under seven sails: jury foresail, jury fore top-sail, and fore ton-mant staysail, maintop-most stayenil, main spenser, mizzen topd She sail and spanker. The vessel remained under whom that self during that afternoon and until he d two observed the survive of a steamer entern. The water wind was dying away. He huisted his ensign he fire | union down . He had a Chinese pilot on heard. again, whom he had taken about eight that morning. . He was in twelve fathous of water and ronen dis- uing down the count towards Hongkong. Had passed Pedro Branco between one and two ben he that day. When the steamer was sighted they were alout thirty miles from Hougkong. Land was in eight. The short was right abeam. about twenty miles. The wind was falling light, and they were doing about one and a hall p when or two knots when the steamer capie alongeide. not see The wind was fair. Up to that time the crew had been watch and watch. Water was pumped police had been which and watch. Water was pumped down by the watch on drok. They were seven-He did teen on board in all; twelve Europeans and e ship five negroes. Also a Chinese pilot was on board hoard. Had passed a number of fishing-boats the in the morning. The gig was damaged, but he was the longbout was in scryiceable order. Tho. The steamer came up. They were nearer to the leven shore than she. She had to deviate about four or five miles from her course to come to them. the The captain of the steamer seked, " Do you ald not require assistance ! " Witness replied, " Can you tow me in?" He heard no enswer himself, and accordingly haded again, saying, "I do not understand what you say." The reyears, ply was then "Yes." The captain of the

Achilles then come alongside in his buat, and d the got up the ladder within a step or two from The the top. He asked witness " If he had a hower & Co., large enough to tow with?" He replied. ercey Achilles then said, " If I send one of my hawsers Her down, are your men sufficiently strong to hand it in ?" Witness replied " Yes.". He then replied all the "He was going ahead with his boat, and would twhen send a hawser down." Just as he was going down the ladder he said " the article of townge. I sophaving pose, we can settle in Honghong?" Witness a. The replied, "we wont quarrel about that." The about that "The notice was sent down by means of a line. The ship's he had company of the Eisteard He handed the hawser sitches in and made it fast. As they were going alread slightly a hoat from the Achilles was pulling longuids with an officer in, when witness hailed Burt, a bim and asked if he was coming on board. He replied, Yes, "I am coming to look at you." He then came on board. He went forward and looked where the fire was supposed to be located, and He next where the water was being pumped. He afterday the general conversation with witness. The haw-al state, ser was made fast to the windlass bitts. About the 80th ten that night this officer turned in with the into the reat on a sail on deck. The mate and accord on the mate of the Bastward However in the conditions. state of according to their watches, until she came to

ancher about four the next morning, ontride time on the shipping and within Green Island. Witness on deck in charge at the time of coming rende of to macher. The captain of the Achilles sung out "I am going to let go the hawser—at and by your anchor." The hawser win then let go, and withese ordered his anchor to be let go. t was then done by the men and an officer of the Easteard Ho, under the immediate orders of the witness. The mate of the Achtiles was on the sail he had gone to sleep on, when the anchor was let go. He took no part in what was done, or to the working of the ship. After the ocea- whip was anchored, the captain of the debilles came down in a boat, and said to witness, " are you going on shore P" Witness went in his boat on board the Achiller. Nothing bowever was said by either us to their having come in, or what had been done. This was between seven and eight. The Achilles come up and made fast to a buoy off Peddar's Wharf. Coming ashore witness stopped on board the tag Fame, While coming up the harbour in the steamer, the captain of the dehilles said to Mr. Burt, of the Harbourmaster's Office, in answer to a question why he bad not come by the Ly-ec-moun Pass, 'It was dark, and having this ship in tow he usuall & worked in with third speed." Coming on shore, by they witness and the captain of the Achilles were together until they arrived at Russell and Co.'s. when they reparated. Witness went to Russell to the and Co.'s because they were the only people be

and in knew here. Ho had known them as commission sport in merchants. He had been bere before conwhen he aigned to Rousell and Co. Had been in command of the Eastward Ho four years. He went it was to this firm because they had been the consignees of his owners. Townsend & Co., for thirty years. He went to them the first time because he had bis owners instructions to do so, he went in the present instance because he had done so before, ie weat from Rinsell & Co. to the Harbourmuster's office, with two clerks, about eight expense or nine o'clock. He saw engines put in cargonosto, and got back on board his ship between nine and ten He stayed about twenty minutes, and came on shore, and dic Co. not return to his ship until after she was cationed beached, between two and three that afternoon. Russell & Co. paid for the towage per Fame on account of the owners of the ship. The vessel remained on fire until the 80th of October From the time when captain of the Achilles first camenlongside, until himself and witness parted

company on abore, he never said a word on the subject of salvage. It is about three years since witness was in Hongkony. At the the there were steam tugs in the barbour, the time, and another belonging to Rumell & Co. Mr. Pollard here asked permission to ask he witness whether he considered himself, at the time of meeting the steamer, in danger, and f it were decided that this was calvage, this, ho submitted, was a very material element for consideration, and in support referred to the case of the Harbinger. The Attorney-General, in this connection

English Co. were

was told and bean

or vesuel

said he would quote the case of the Recent He would, however, offer no objection to the mestion being asked. " what circumstances inmacd him to hoist his ensign union down ! Waived after reference to the affidavit. he ship's He heisted his ensign union down on seeing rom the the smoke of a steamer astern, because he could not use the ordinary signals, which were kept in a place inaccessible on account of the received fire. If he could have got at these, he would hed from have saked if he had any mails or passengers onboard, and asked to be towed in. Mr Pollard said he did not want to know

our cents what he would have done.

Ty news - Witness said he thought that was short he was trying to get at. (Laughter.) With the wind as it was, and with the weather, he would have been at anchor off Green Island by eleven one part o'clock p.m. the same night, without the assistinstance ance of the steamer.

Cross examined by the Alternay-General .-He had the energy hoisted union down about half an hour. It was not so before be saw the steamer. The nignal was made especially to the steamer. The ensign union down is universally acknowledged to be a signal of distress. The Ashilles. was not more than five miles off when first seen. Swear she was not nine miles she had to go. When the captain of the Achilles said, "do you want assistance?" he did not reply. "I should en agreed | think we did, we have been fire for twenty days, iment, he por words to that effect. Witness said nothing Attorney more about being on fire, except the remarks petition about the bawser. This was the only conversathe case. Lion about their being on live. The captain of the Achilles never asked anything about the ter in the fire. The captain of the Achilles never offered his partner steam bose to witness. The Eastward Ho bullbeen matters on fire since 10th September, and all hands hall been on dock since that time. The chief officer of the Achiller came on board, after the hawser was and con- taken a board. [He could not swear to this structions fact, but it was his impression. The espeain of were in the Achilles did not send his chief officer and a ad of the seaman with a bawser on board the Eastwardn for sal- Ho. It was his impression that the chief officer saw the came on board after the hawser. The affidavit ve o'clock | was drawn before he signed it. When the witor coolies ness first returned to the ship, he found the chief guish the officer there, and he then said to him " what are the cap- | you doing here?" He replied, " I was told to tow the stop here by the captain." Witness did not emel was recollect whether he made any reply. When the cus- I witness went on board a second time in the afterions were moon, he said to Wolf, the mate, "I see now on board what you were next on board for. There has A survey been a claim made by your Captain for \$12,000 Mc Murdo or \$10,000 salvage. Wolf replied, Re was

am going to have a boateent to take moon heard]

His Lordship here asked to look at the cor respondence and after looking it over, remarked that he thought it very material so far as this these letters had been received should be given in evidence. He saw by one of the letters that a claim for \$10,000 had been sent in by nine o' lock the same morning as the arrival. He certainly could not claim of a want of promptness here, and he perceived by the letters that | date. there was centainly an apperciation of the services rendered. This was sharp work. Examination continued. A reaman was said to have come on board at the time, the bawser was brought, but witness did not see him until October 2nd. The witness was here pressed rather warmly by the Attorney-General, in regard to this fact. when he assumed an "atti-

tude," and hammering with his hand on the both here and at Canton. board in front of him, gave rather, peculiar emphagis to his words.

His Lordship informed the witness be was not called upon to argue the case, but answer in MR, SIDNEY DEACON is authorized to sign a quiet manner all questions put to him. He gave instruction to he carpenter and two date, men to keep watch over the fire, two were at the pumps, and one at the wheel. Six men constitute a watch, the same men were at the TURING the absence of Mr. JOHN H. LIADD pumps and engaged in other duty about the I from the Colony, Mr. T. Cushing LADD;

akin Witness from the time the fire broke out is authorised to sign our Firm per procuration. STOOKS are now complete, forming the largest did not sleep very satisfactorily nor comfort.

LADD & Co. they have ever offered. ably. When the Achilles hove in might witness was pretty well tired out from anxiety and exthen in such a state of exhaustion as to make S. Roos, Son & Co. it necessary for him to give up command of the vessel to a total stranger, although of the 29th September, he was askeep some of the time, and awake part of the time. He could not swear what bout he came ablore in rom the Achilles. Ho did not land at Birley! He and the Editional Ho after the cargo was

What state was the hold then in? Mr. Pollard made a similar objection he made to Captain McMurdo's evidence. Question al. D. GREBBAL COMMISSION MEBOHANT Capt. McMardo's report was correct as to this. Witness agreed with Capt. McMurdo, that the skip so far as her spars were con-corned, she was a wrock in the meaning be no docht intended for the word wreck. A great many of her spars were gone, and were not perfect. With regard to what Papt, Thomactt had said about her most and rigging gone. rally being in a state of wreck, witness place agreed. They were not however, in such a state of wreck that he could not but such sail up as he had described as being det. ... Re-examined by Mr. Pollard .- Wilness was not so exhausted as to provent him from bring | TABOM and after this date Mr. Guorge I ing his ship into Hongkong. The first or second officer was always on duty. It is quite untrue that Mr. Wolf over took obarge of his vessel, or did anything towards the managing of the vessel. He had no fear to prevent his electing courfortably, but the want of comfort was owing to having to sleep on dook, without a cover and with frequent showers of rain. It was a state of general discomfort rather than prostration of system. He eat his three meals on the 29th an well as be could.
